

*Wild Weasels over Iraq October 1993*  
*F4G Wild Weasel*  
*F-16C, Wild Weasel (Lt Col Danny Burrows)*  
*British Harrier AV8B*

*The 2nd AV8B was taking the photo with his RECCO pod. The Harriers flew as a 2 ship and the F-4G and F-16C flew as a separate 2 ship. We recovered to Incirlik Air Base, Turkey as a 4 ship and took the photos on the way out. We were just inside Turkish airspace when the photo was taken.*
